

# Onteora Service Weekends 2011

## May 20-22 and June 10-12, 2011

Please join us for all or part of one or both of our scheduled pre-camp Work Weekends on **May 20-22 and June 10-12, 2011**

There are many important projects to do at camp where our dollars can go a lot further buying materials and supplies if we have dedicated volunteers to provide the labor and skills! If you (and friends and family members) have carpentry, electrical, plumbing, masonry, roofing, painting, floor installation, tree cutting, or auto mechanic skills, we can certainly put them to good use. We also need "strong backs" to move, clean, and dig. Please RSVP as early as possible (but preferably no later than the Monday before the weekend) so we can help plan projects in advance and are sure to have the necessary materials and tools on hand so you're ready to go.

We need your help to get everything accomplished before the start of the summer camp season. It takes lots of hands, backs, hearts and minds to get a lot more done, so when the camp staff arrives they can focus on finishing touches, setting up tents and cots, and polishing the program. Please join us if you can on one or both Service Weekends. Come early on Friday (bring a bag lunch for the day and join us for a dinner out) if you can, and help set stuff up, and work a full day on Saturday, and into Sunday if that's possible for you. We provide meals from a snack Friday night to lunch on Sunday. Join us for a great weekend of fellowship and service!

In the Spirit of Onteora, Rick Balla

### What You Need To Bring

Personal gear for overnight "camping" on work weekends, work gloves, tools to help with projects (if you have them), and an appetite for good food and fellowship. The Health Lodge will be available for sleeping.

### The Project List

Projects identified for 2011 can be found at the TRC BSA Website at the Onteora Home Page, at the OSR/CW website maintained by Bill Cotter, and on the back of this form. See [www.trcbsa.org/OAA](http://www.trcbsa.org/OAA)

### RSVP/Need More Information??

Help us by registering by the Monday before the weekend. If you have questions or for last minute registration, please call Rick Balla at 516-678-0032 (please no calls after 9:30 pm) or at [rpb11570@yahoo.com](mailto:rpb11570@yahoo.com)

Please bring a completed Annual Health & Medical Record with you, see: [http://www.scouting.org/filestore/pdf/34605\\_Letter.pdf](http://www.scouting.org/filestore/pdf/34605_Letter.pdf)
