Dear Eagle Scouts!

A crucial aspect of a college education is meeting its costs. At the C.W. Post Campus of Long Island University, we do everything we can to make a quality private education financially possible for you. We believe your college education is the greatest investment that you can make in yourself - and in your future. When you come to college to expand your mind and to prepare yourself for a world of great career opportunities, you shouldn't have to be burdened with worry about how you're going to pay for your education.

We like to reward our students for all of the hard work and commitment they have shown in both their academics as well as their extra-curricular activities. We understand that to earn the **Eagle Scout** rank, the highest advancement rank in Scouting, a Boy Scout must fulfill requirements in the areas of leadership, service, and outdoor skills. For many, the leadership skills, organizational skills, and sense of community and commitment that come from "going for the Eagle" set the foundation for a lifetime of active citizenship. It is for these reasons C.W. Post has created the **"Eagle Scout Gold Award Scholarship"**

Entering full-time freshmen who are Eagle scouts may be considered for the C.W. Post Eagle Scout Scholarship. Students having a high school cumulative average of 85 percent or better and a standardized test score of 1100 (Critical Reading & Math) or 1650 (Critical Reading, Math & Writing) or 24 (ACT) paying the flat tuition rate, will be considered for this award.

The best way to learn if a college is "right" for you is to visit the campus! If you have not already done so, I encourage you to make an appointment for a campus tour and schedule an informational interview with an admissions counselor. If you have any questions, please do not hesitate to contact the admissions office at 516-299-2900. You can apply online by visiting our application website at www.liu.edu/postapp. C.W. Post is also on the Common Application where you can apply online at www.commonapp.org

I look forward to hearing from you soon!

Sincerely,

David Follick
