

Scoutwalk Needs Help!

It was a difficult decision to make.... Give less money to our camps or to "pay" people to staff Scoutwalk. But, once again the Scoutwalk committee felt that Scoutwalk is such an important event to the Scouts of our council AND our camps that we must do what we can to keep it going strong in 2010 and the future. And, that simply can't happen without staff.

Adding to the above is it's the 100th Anniversary of the BSA. The Scoutwalk committee has some terrific new ideas for the event but we need people to head up these activities as well as staff them. Scoutwalk 2010 is sure to be the biggest Scoutwalk ever – but – in order to make sure that everyone has a wonderful day much more help is needed than what has been received in the past.

Questions should be directed to Dee Bauman – deebauman712@yahoo.com or Ken Boglia – noemailfourme@yahoo.com a member of the Scoutwalk Committee.

So, this year Scoutwalk is offering an additional 3% commission to units that supply a minimum of 2 staff members for the entire day of the event. The following stipulations apply:

- The unit must be eligible to earn Scoutwalk commission as stated in the Scoutwalk Coordinator Guidebook.
- The staff representatives from the unit cannot be members of the Scoutwalk Committee.
- The staff representatives must arrive by 8:00AM the morning of Scoutwalk and stay through take down of the event.
- * Please note that joining the Scoutwalk committee you do not qualify as a staff member for the 3% commission
- This completed form with staff representative's names & complete contact information must be turned in to the council office by **April 1st, 2010.**
