

How Will I Benefit?

Make a positive difference in the quality of your Scouting program and the impact that Scouting will have on the lives of its members. Be better prepared to give our youth the opportunity to live Scouting's values and to become better citizens!

Understand the latest **Leadership** and **Team Development** skills. Learn how to use these skills in becoming a **High Performance Team** and for development and motivation of other team members.

Wood Badge Course themes are:

- Living the Values
- Bringing the Vision to Life
- Models for Success
- Tools of the Trade
- Leading to Make a Difference

Understand how your **Values** relate to attitudes in your life. Establish a **Vision** to improve yourself and your Scouts. Build **Mission** goals to help you attain that **Vision**.

Become the leader who will make a positive difference in your pack, troop, crew, team, district, or council ... **and in your own life**.

Set a **good example** for those around you with an upbeat outlook by promoting fun and enjoyment in your program.

And then, upon completion, you will be awarded your Wood Badge beads and become a permanent member of Wood Badge Troop 1.
