This is a tool that has been set up by BSA for potential scouts looking for units. Currently, if you have never set it up, it defaults to council. We need you to take a few minutes to set up your page so that inquiries are not delayed.

### How to set up your BeAScout Page

Launch http://www.scouting.org/

Click on login in the upper right corner

![Login Interface](image)

Once you login, on the left menu bar click on BeAScout

Once you successfully login, your screen will look like the following page
Steps that must be completed on this page.

1. Modify the Unit Pin Mode from Council to Unit
2. In the Unit Web Site field, enter your Unit’s URL. If you do not have one, enter http://www.trcbsa.org/ (This will direct people to the Council website.)
3. Fill in the Primary and Alternate Contact Information.
4. Fill in the Unit Meeting Address and Additional Unit Information.
5. Under the Fields Displayed On Unit Pin, select the options that you wish the potential new scouts to see.
6. Click Save
