Welcome to the NEW MyScouting!

Thank you for setting up your MyScouting account. Through your account, you now have access to even more Scouting resources. MyScouting was created to better support your role in Scouting. Over time, new resources will be added and you will be able to see content specific to your position/rank. MyScouting will also be used to improve communication directly with you, our dedicated and hard-working members.

Have you checked out the Scouting Community yet? Scouting Community connects people who want to talk about Scouting online. With Scouting Community, you can blog, join a discussion forum, send e-mail to friends, listen to podcasts, view videos, and generally communicate with people about Scouting. This community is a safe environment for members and leaders of Scouting to interact and share best practices for all things Scouting.

New Training Courses
This is Scouting - provides an overview of the Scouting movement, including history, values, programs, youth protection, community involvement, training, and so on. The module consists of six video sections, each followed by a brief quiz. Completion is noted automatically in the BSA training records database if the module is experienced online. Estimated time to complete: 50 minutes.

Trek Safely - covers 7 key safety points about trekking, and is recommended for adult leaders organizing any type of trek. You will watch a brief video broken into two sections, answering questions after each section. Completion is noted automatically in the BSA training records database if the module is experienced online. Estimated time to complete: 20 minutes.
