TRAINING

An important part of the Cub Scout program is the training that is available to help new leaders have a successful and fun-filled program.

The first step is **FAST START**, a video training experience designed to give you the basic information you need to begin carrying out your new responsibility.

**FAST START** will get you through your first few meetings, but you will want to participate in Cub Scout Leader Specific Training as soon as possible to deliver an outstanding experience to your boys.

The next **IN PERSON** course is:

**SPECIFIC TRAINING:**

ROUND TABLES

A Cub Scout Leader Roundtable is held in your district every month. The roundtable is a gathering of all Cub Scout leaders in the district for a planned program built around the upcoming theme of the month and features songs, games, crafts, ceremonies, and fun that you can use in your own pack and den. It is also a chance for you to meet experienced leaders who can help you learn how to do a better job for your boys.
