

The Onteora Alumni Association
Announces
The Fall Alumni Weekend
September 11-13, 2009

The Annual OAA Fall Weekend, celebrating 50+ years of camping at Onteora, will be held at camp – hang out, camp out, and contribute to our home away from home. Not quite as elaborate or programmed as our reunion weekends (the next one will be in September 2011), but we'll arrange for housing and good food. Breakfast, lunch, and dinner will be served on Saturday, and a light breakfast on Sunday (Dinner on your own Friday night). Of course, we will have a campfire Saturday evening.

Join us as we celebrate the successes of our reopened summer camp and the bright future for Onteora Scout Reservation.

All income in excess of expenses from this weekend will be used by the Onteora Alumni Association to support a project at camp.
